

Henry Baker Wins Presidency Of Student Body

In an election marked by voting apathy on the part of the student body, an unopposed slate of student body officers, headed by Henry Baker, was elected at recent student elections. About 50 per cent of the student body went to the polls election day.

Baker was elected president after two other candidates, Orville Brill and Jerry Cooper, withdrew from the race. Also elected were George Campbell, vice-president; Peggy Alexander, secretary; Maureen Vincent, treasurer, and Carla Hoskins, parliamentarian.

The new officers were installed in an assembly last Wednesday.

Brill and Pendergraft Will Head Classes

Orville Brill was elected president of the Sophomore class, and Joe Pendergraft, president of the Freshman class, in separate class meetings last Friday morning.

Other Sophomore officers include Bill Shields, vice-president; Martha Tucker, secretary-treasurer, and Donna Sellers, parliamentarian.

Assisting Joe in his duties will be Buddy Paul, vice-president; Lynn Francis, secretary-treasurer, and Sharon Rackley, parliamentarian.

Voters Select 20 Representatives For Senate Positions

In a general election last Friday, members of the Sophomore and Freshman classes elected seven sophomores and 13 freshmen to form the student legislative body.

Sophomore Senators are Pat Sears, Jim Bridges, Mary Ann Tutt, Billie Krummel, Larry Robbins, Francis Bennett, and Howard Cooper.

Freshman Senators are Suzanne Bogner, Franz Stangl, Ramona Kunkel, Virginia Cooper, Connie Boyington, Duane Hunt, Judy Tedder, Sue Holt, Pat Crews, Lee Williams, Nancy Patterson, Susan Askins, and Loralou Schaper.

Play Tryouts to Be Open to All Students

Milton W. Brietzke, new speech instructor at the College, has announced that tryouts for a play to be produced December 6 and 7 by the speech department will be held late this month. The tryouts will be open to all interested College students, whether or not they are members of the College Players.

Brietzke said that daily rehearsals will be held this year, instead of the former practice of holding two sessions each week. The time of the rehearsals will depend upon the availability of the students.

The speech instructor reported that he is considering producing a drama with central staging. In this type of play, the audience is seated around the center of the auditorium in arena-like style.

Vol. XVIII

Joplin Junior College, Joplin, Missouri, October 5, 1956

No. 2

Parade Begins Homecoming; Queen Will Be Crowned Tonight

The 1956 annual Joplin Junior College Homecoming will get under way at 3:30 o'clock this afternoon with a motor car parade down Main Street. Other Homecoming activities include a football game with Wentworth Military Academy at 7:30 o'clock tonight at the stadium and a dance after the game. During half time, one of eight Joplin Junior College girls will be crowned 1956 Homecoming Queen.

Candidates for the honor are Maureen Vincent, Delois Martin, and Jeanette Carter, sophomores; and Pat Crews, Wanda Gibb, Sue Holt and Sharon Rackley, freshmen. The winner will succeed Madalyn Gustafson, 1955 queen.

Each of the candidates will be driven down Main Street in a new convertible this afternoon, and will be given a special seat at tonight's football game. The girl selected will reign over the game and the dance later tonight.

Theme for the dance is "Harvest Moon." The College auditorium will be decorated with paper leaves of various colors, and a large "harvest moon" will be hung from the center of the auditorium.

Most of the planning for the Homecoming has been done by members of the Faculty-Alumni committee and the Student Cabinet. Officers of the Alumni Board are Ed Farmer, Jr., presi-

dent; Larry Dunham, vice-president; and Ann Hickam, secretary-treasurer. Other Board members are Mrs. Charlene Varner, Michael Bauer, Anthony Kassab, and Mrs. J. B. Garrison.

Faculty members of the committee are Miss Dorothy Stone, chairman, James C. Willey, and Orie A. Cheatham. Students who assisted with Homecoming plans are George Campbell, Ron Robson, Jerry Cooper, Henry Baker, Jim Bridges, Billie Krummel, Carla Hoskins, Peggy Alexander, Carolyn Peterson, and Ron Martin.

More than 1,000 invitations were mailed to former students of the College.

Marian Herrin Wins Club Scholarship

Marian Herrin has been awarded the annual Delta Kappa Gamma scholarship granted to a future teacher. Marian was chosen from several contestants to receive the fifty dollar award. She was selected by a 12-member committee of Gamma chapter of the Missouri division of the international honorary organization for women in education.

The daughter of Mr. and Mrs. Ethan Herrin of Neosho, Marian lives at the Y. W. C. A. while attending Joplin Junior College.

Pictured above are the candidates for 1956 Homecoming Queen. They are, left to right, back row, Jeanette Carter, daughter of Mr. and Mrs. Winston Carter of Carthage; Sue Holt, daughter of Mr. and Mrs. Ben Holt, Jr., of Webb City; and Pat Crews, daughter of Mr. and Mrs. E. O. Crews of Jolin.

Front row, Delois Martin, daughter of Mr. and

Mrs. Eldridge Martin of Joplin; Lee Williams, daughter of Mr. and Mrs. Clyde Williams of Joplin; Wanda Gibb, daughter of Mr. and Mrs. Sam Battalea of Webb City; Sharon Rackley, daughter of Mr. and Mrs. Howard Rackley of Webb City; and Maureen Vincent, daughter of Dr. and Mrs. M. B. Vincent of Joplin.

U.S. Senate Candidate Will Appear a Week From Today

Herbert Douglas, Republican candidate for the United States Senate from Missouri, and three other leading Republican officials, will speak at 10 o'clock next Friday morning at a special assembly to be held in the auditorium. Douglas is appearing at the invitation of the government classes taught by Arnold Irwin.

Speaking, in addition to Douglas, will be Richard Webster of Carthage, Republican candidate for Lieutenant Governor of Missouri; Ed. Farmer, Jr., of Joplin, candidate for State congressman from the third legislative district in Jasper County; and Lang Rogers of Carthage, chairman of the Jasper County Republican committee.

Irwin, stated that in presenting the assembly, the government classes hope "to better acquaint college students and the public with the personalities participating in politics and to better inform them of the position of the men in contemporary politics." The candidates will be introduced by students.

Another political assembly will be presented later in October featuring widely-known Democratic candidates for national, state, and local offices. An invitation has been given to United States Senator Thomas C. Hennings to speak at that assembly.

All college students have been urged to attend the assembly Friday in order to see the candidates and understand their government better.

Both assemblies will be open to the public.

Lois Kirk and Kay O'Bryant to Head Crossroads Staff

Lois Jane Kirk and Kay O'Bryant are the co-editors of the Crossroads for 1956-1957, according to an announcement last week by Mrs. Margaret Jeffcott, yearbook sponsor. Mary Margaret Dagley is the art director with Maxine Henderson as assistant.

Other members of the staff are Sue Holt, Wanda Gibb, Mary Curtis James, Barbara Whitehead, Carol Klimpt, Margaret Kenney, Rayma Hammer, and Gaylord Bedell.

Mrs. Jeffcott has requested that anyone interested in photography, or anyone having snapshots to be used in the yearbook, contact her or the editors.

Librarian Attends State Conference

Mrs. Loretta Frazier is in Cape Girardeau this week for a meeting of the Missouri Library Association. The Joplin Junior College librarian is secretary-elect of the state-wide organization.

Publicize or Demoralize?

As we were leaving Blaine Hall the other day, a freshman inquired, "How do I know when there is to be an assembly?" The answer to his question lies in the bulletin boards of the school. Directly above the fountain in the main hall, there is a bulletin board which is reserved for assembly announcements only. To the left of the fountain is a bulletin board for general announcements. Over to the right near the south stairway is another board which is used by the College Players. In the administrative office, there is a bulletin board which contains announcements for the faculty. Much pertinent information is publicized on each board, so it is wise to check the bulletins daily.

The second episode which pointed up the need for criticism of the manner in which the bulletin boards are handled occurred about two weeks ago. Upon entering the building one Friday morning, we were greeted by signs and posters throughout the hall exclaiming "Football Tonight" or "College Players Meet Thursday Noon at Blaine Hall."

Perhaps at first these incidents don't seem important, but let us suppose that you are a student who lives 30 miles from Joplin. You come to school one morning and read a sign which says "Football Tonight." So you go home after school and then drive the 30-mile trip back to Joplin. When you arrive at the stadium, you are greeted by countless empty seats. Then you would come to realize the necessity of handling our bulletin boards properly.

It might be well if each organization would appoint one of its members to handle their posters and communications on the bulletin boards. Also, the announcements could be a little more pointed, perhaps giving the exact time and date that the event being advertised is to take place. Witness the Y. W. C. A. Luncheon Club as a good example. Their signs usually read something like this: "Reservation List for September 15."

The College Players are to be commended for initiating a new use for the bulletin boards. When there are no announcements to be made, the organization is posting interesting bits of information about drama that each of us should know. Such creative thinking is good, and so is the attractive art work which provides a background.

A final factor to be considered is this: If all signs are precise in their phrasing and are taken down immediately after their usefulness is completed, it will give the impression of a good student body, alive and active. And that's the impression for which each of us should strive.

The Spirit of Homecoming

As you walk down the corridors of Joplin Junior College today, you may be greeted by many faces you do not know. There will be fellows who look as though they may have been college students ten or twelve years ago, but who now have the appearance of suave young business men or struggling young doctors, writers, teachers, or scientists. Most of them will be talking about things of which you have never heard—about the time when Juco had its closest race for Student Senate president, or the day that Dr. Litton first came to the College, or perhaps the day that Willie Teppelhoff slipped down the fire exit to escape Mr. Willey's chemistry class.

These people, most of them strangers to you and me, will be gazing longingly at a scarred and battered old locker, or perhaps they will be staring into the College auditorium, the place where they used to sit years ago.

Probably you won't understand the magic that casts this sort of nostalgic stupor over them, but when you are an alumnus of the College, then you will feel it. For, although the building has been redecorated, the instructors have changed, and the student body is different, to them this still is the J.J.C. of yore. So today we extend an especially hearty welcome to these people. May the spirit of Homecoming fill the air!

Days Gone By

By Hinry Wodsworth Lungfilter

There goes old Red; he still look the same.

And see that fella? What was his name?

Notice that tree out by the walk
Where we used to sit during lunch
hour and talk?

Remember our first Homecoming,
and the football game we won?
And then the dance that night
when we had so much fun?

And how all the kids were there?
We all were so gay,
But then when the laughter was
through and no more we could
play

Remember the way we settled
back down to school,
And entered the drab classrooms
where the tyrants rule?
And then when the year was over,
and for the last time we walked
the hall

We discovered they weren't tyrants,
but friends most of all?

Remember all those things which
we'll never recapture—

The friends, the songs, the moments
of rapture?

All of them a part of wonderful
years at J.J.C.

And for years to come they'll linger,
especially for you and me.

Jack Eisen in Korea

Specialist Third Class Jack L. Eisen, Juco graduate, is a member of the Seventh Infantry Division's Military Police Company in Korea.

Jack graduated from the University of Missouri before entering the Army in October, 1955.

Y.M. Luncheon Club Elects New Officers

Officers for the current school year were elected recently at a meeting of the Y.M.C.A. Luncheon Club. Jim Bridges heads the organization, and other officers are Howard Cooper, vice-president, and Gary Hoskins, secretary-treasurer.

J.C. Coeds Appear Before Soroptomists

Three Joplin Junior College students presented musical selections yesterday at a luncheon held by the Soroptomist Club in the Concor Hotel.

Harriet Hatcher presented a vocal solo, accompanied at the piano by Kathryn Walker. Jane Barlow played "Night Soliloquy," a flute solo, with Kathryn Walker accompanying her.

Miss Margaret Mitchell, College registrar and a member of the organization, was in charge of the program.

Panel Will Air Proposed Laws In Open Forum

A public forum dealing with three proposed state constitutional amendments to be considered by voters November 3 will be held at 8 o'clock Wednesday night, October 24, in the Joplin Junior College auditorium.

The second amendment, considered the most controversial, would increase the ceiling on the tax rate for county roads and bridges from 35 cents to 50 cents per \$100 assessed valuation. The amendment also would permit the county courts to levy an additional 35 cents per \$100 assessed valuation, after a vote of the people in the road district involved. The present ceiling is 70 cents per \$100 assessed valuation.

The League of Women Voters and several other civic groups are sponsoring the forum.

Faculty Members Will Participate In Norman Meeting

Dean Maurice L. Litton and Dr. Lloyd Dryer, psychology instructor, will attend a meeting of the North Central Association of Junior Colleges Sunday, October 14, at the University of Oklahoma.

Dr. Litton will act as chairman of a personnel committee meeting, which will be attended largely by administrators from the 22 states which make up the Association. Dr. Dryer will serve as a panel member at a meeting to be directed by Dr. Litton. Other members of the personnel committee are Lieutenant General Hobart R. Gay, retired, president of New Mexico Military Institute at Roswell, and George Kline, president of Wessington Springs, South Dakota, College.

Assisting Dr. Dryer as a resource member of the panel at Dr. Litton's meeting will be Professor George White of Oklahoma A. & M. College.

Administrators and teachers from the Association's 22 states will discuss general problems and ideas concerning education.

K-State Quartet to Appear Here Next Wednesday

The resident string quartet of Kansas State College at Manhattan, one of the most widely known musical groups of its type in the Midwest, will appear at the College in a concert at 10 o'clock next Wednesday morning.

Organized in 1948, the resident string quartet has performed before countless college, music club, grade and high school audiences in Kansas, Missouri, Nebraska, and Oklahoma. One of their yearly performances is at K.S.T.C. at Emporia, where they play a program largely of contemporary music.

With the same personnel since 1951, the K-State Quartet has been welded into a unit of highest musical excellence frequently ac-

Poetry Association Seeks Manuscripts

Students at Joplin Junior College are eligible to submit original verse to be considered for possible publication in the "Annual Anthology of College Poetry."

Rules for acceptance state that manuscripts must be either typed or written in ink on one side of a sheet of paper, and that the student's home address, name of college and college address must appear on each manuscript. Students may submit as many poems as they desire, with the theme and form entirely to be in accordance with the wish of the contributor.

Shorter efforts are preferred so that more students may have an opportunity for recognition. November 5, is the closing date.

All entries are to be addressed to "College Poetry Anthology, National Poetry Association, 3210 Selby Avenue, Los Angeles 34, California."

Mum's the Word

Members of the Eta Chi chapter of Phi Theta Kappa will distribute chrysanthemum corsages this afternoon for the Homecoming game and dance tonight. The society has taken orders for the flowers for the past two weeks.

Students to Present Musical Program

Merrill Ellis has announced that plans are being made for a music recital to be held at 8 o'clock Tuesday night in Room 204.

Kathryn Walker will sing "Virgin, Tutta A'Mour" by Durante, and Karen Williams will sing "How Do I Love Thee?" by Lippe. The first movement of Beethoven's "Moonlight Sonata" will be played as a piano solo by Joe Roche. Roche also will play "Minuet in G" by Paderewski.

Maureen Vincent and Harriet Hatcher will sing several selections not yet chosen. Joe Pendergraft and Eldridge Martin will play "Duet" in a clarinet duet.

All students and faculty members are invited to attend.

Cheerleaders Elect Freshman Captain

The cheerleaders have chosen Suzanne Bogner to serve as their director for the year. The three other freshmen and two sophomores who share the responsibility for cheering the Lions are Lee Williams, Pat Hagar, and Sharon Rackley, freshmen, and Peggy Alexander and Jeanette Carter, sophomores.

he organized and conducted the Phoenix string quartet.

Jussila, the violist, is exceptional in that his first instrument was the trombone. He later did intensive study on the violin and viola. During his college career at the University of Washington he learned to play the bassoon so well that he played it in the Seattle symphony. He has appeared as viola soloist with the K-State orchestra.

Walker, cellist for the quartet, also has performed with the Seattle symphony. He is a graduate of the Cincinnati Conservatory, where he studied with Oscar Bowen, and since joining the K-State faculty, he has appeared as soloist in recitals and with the College-Civic orchestra.

Who's Who on the Alumni Board

Alumni Board President Ed Farmer, Jr., is shown in the College library pointing out to other Board officers the point, in Africa, where a 1956 graduate, Donna Howard, has been visiting. Left to right, those in the picture are Ann Hickam, Anthony Kassab, Farmer, and Dr. R. C. Parks, immediate past president. Absent when the picture was taken were Larry Dunham, Mrs. J. B. Garrison, and Michael Bauer.

The Alumni Association of Joplin Junior College can often be seen burning the midnight oil. Such was the case two weeks ago when the Board met to send former students postal card invitations to Homecoming.

Ed Farmer, Jr., president, announced that the group's activities for this year will be chiefly that of "keeping in contact with students of previous years" and assisting with Homecoming preparations. He also stated that the Board will plan and carry out the annual Alumni banquet.

In reminiscing over his Junior College days, the Joplin lawyer recalled the bridge games that he and his friends enjoyed. But he hastened to give this advice for students who wish to succeed: "You must work hard to learn everything that is available to you."

The president received his diploma from Joplin Junior College in 1940. From J.J.C., he went to the University of Arkansas, Washington University, and Wayne University.

The assistant prosecuting attorney has three children: Barbara Ann, 2; Renate, 13; and Peter, 14. His wife was educated in Hamburg, Germany, where he met her during World War II.

Vice-president Larry Dunham graduated from Joplin Junior College in 1951. He then attended the University of Missouri and received his B.A. degree. At the present, he is working toward his Master's degree. Dunham is an English teacher at Senior High School. He and his wife (Martha Dickson) who also attended Junior College, have one daughter, Laura, age three and a half.

Ann Hickam said her good-byes to J.J.C. only last year. She is now employed by the Empire District Electric Company. Ann was active in Pi Alpha Pi and held the position of secretary of the Y.W.C.A. group in 1955.

A teacher at the Senior High School, Mrs. Charleen (McClanahan) Varner spent three semesters at our alma mater and then left for Kansas State Teachers College to major in home economics. She received her B.S. degree in

education. She is now working toward her Master's degree at the University of Arkansas. Mrs. Varner's husband is assistant coach at Senior High.

One of the framers of the Constitution written by the Student Senate is Board member Anthony Kassab who also served his 1948 class as president. Anthony received his B.S. degree from the University of Missouri. He is the assistant manager at Dan Stanley Motor Company. The Kassabs have one daughter, who is ten months old.

A 1951 graduate of Junior College is Michael Bauer. He attended Kansas State Teachers College and graduated in 1953 with a B.A. degree. Mr. and Mrs. Bauer have a 10-month-old son. Bauer is an auditor with the Gas Company.

Mrs. J. B. Garrison (Betty Parker) graduated from J.J.C. in 1945. She then attended the University of Arkansas. The Garrisons have two sons: Steve, age five; and Jim, age six months.

Betas Conduct Tea And Plan Projects

The annual Beta Beta Beta tea was held Sunday, September 30, from 3:30 to 5:00 p.m. in the Empire room of the Connor Hotel. Invitations were sent to all freshman girls, all sophomore girls who did not attend Joplin Junior College last year, and all faculty members.

Peggy Alexander, president, said that the new members will be selected by the old members at a later meeting. According to the president, activities for the coming year will include a Christmas and a spring dance, charity drives, bunking parties and other informal get togethers, the initiation of pledges, and the presentation of the annual Beta assembly.

Other officers are as follows: Betty Lou Scorse, vice-president; Joan Sovereign, secretary; Maureen Vincent, treasurer; Carla Hoskins, parliamentarian; Sue Storey, reporter; and Delois Martin, pledge mother. Miss Ada Coffey and Mrs. Margaret May-Pool are advisors.

Emma Lea and Thomas Gerwert.

Wylene Waggener and Donald Cohagan.

Rayma Hastings and William Zachery.

Daisy Snow and Aaron Brownstein.

Carol Louise Clark and Jack Parker.

Toby Baker and Harold Manaker.

Honors

Betty Jarvis Martin received the Who's Who in Library Service award last year for being the outstanding student in library science at K.S.T.C.

Several former students have been designated honor students or admitted to honorary scholarship and professional societies at the University of Missouri. Among those announced as honor students are Howard Hartley, college of arts and sciences; Marilyn Allen and William Brill, education; and George Ashford and Muryl Dale Olinger, business and public administration.

Admitted to honorary scholarship and professional societies are Muryl Olinger, Beta Gamma Sigma, commerce society; George Ashford and Muryl Olinger, Alpha Pi Zeta, social sciences; George Ashford, Delta Sigma Pi, commerce; and Marion Elizabeth Smith, Future Teachers of America.

New Positions

Richard Green is teaching fifth and sixth grades at Eugene Field School in Carthage.

Three former J.J.C. students are teaching in the Joplin School system for the first time. They are

Richard G. Kelley who is at Emerson; Gloria Jean Beagle, at Lafayette; and Mrs. Janice Leslie Everhard at Eagle Picher.

Phyllis Norton, who resigned as Teen-age Director of the Joplin Y.W.C.A., has accepted a position in a branch office near Akron, Ohio. Marilyn Turner Whitaker is filling the Joplin position. Both are former J.J.C. students.

Kenneth Elliff has recently been appointed city prosecutor of Joplin. He has been acting as municipal judge during the vacation of the regular judge.

James Brown has returned to Joplin to establish his office as a practicing attorney.

Ralph Crandall, who received his master's degree in mechanical engineering at the University of Oklahoma, is employed by the Richmond Oil Company in Venezuela.

Richard Sandy, who received a degree in petroleum engineering at the University of Tulsa, is employed by Creole Oil Company in Venezuela.

Dale Shelhorn is employed by Hughes Aircraft in Englewood, California. He received his degree in mathematics at the University of Oklahoma and is working toward his master's at U. C. L. A.

Mr. and Mrs. Harold Conner, both former students, recently visited the College. Conner is employed by North American Aviation in Englewood, California. The Conners have a three-month old son, Bruce. Mrs. Conner is the former Jacque Hulse.

Miss Joan Moon, who resigned as secretary to the Dean, will begin training as an air stewardess for Trans-World Airlines on October 11. Joan graduated from Juco in 1955.

Mr. and Mrs. Jon Berrian, both former students, have a new daughter, Mary Margaret (May). Mrs. Berrian, the former Miss Mary Margaret Carter, is a past secretary-treasurer of the Alumni Association.

Mr. and Mrs. Charles Dymott of 3345 Sergeant Avenue have a new son Larry Dee. Dymott, who graduated from the College in 1950, recently passed an examination qualifying him as a certified public accountant. Mrs. Dymott (Imogene Craig) graduated from J.J.C. in 1943 and served as secretary-treasurer of the Alumni Association during the 1954-55 school term.

Former Librarian Receives Degree

Miss Edith Gorman, former librarian at Joplin Junior College, has received the degree of Master of Science in library science from George Peabody College.

Her thesis subject, "A Teaching Guide for School Library Administration," is to be enlarged into a textbook for use in the teaching of library science.

Miss Gorman was active in A.A.U.W., Delta Kappa Gamma, and the P.E.O. Sisterhood when she was in Joplin. She is a member of Kappa Delta Pi and recently was initiated into Pi Gamma Mu, honorary social studies fraternity.

She is now associate librarian and assistant professor of library science at Northwestern State College, Alva, Oklahoma.

Former Students Taylor and Cox Now Clinical Pathologists

Two Joplin Junior College graduates, Darrell Taylor and Robert Joseph Cox, have passed tests given them by the American Society of Clinical Pathologists. Both men fulfilled the requirements of St. John's Hospital School of Medical Technology and now are employed on the laboratory staff at the hospital.

Taylor, of the 1951 class, lives at 912 West Fourth Street. He has a Bachelor of Science degree from K.S.T.C. Cox graduated from the College in 1954. He also studied at K.S.T.C. and now lives at 2415 Annie Baxter Avenue.

To be eligible to take the national examination, one must have completed two years of college or 60 semester hours plus one year of study in a technology school sponsored by the American Society of Clinical Pathologists and supervised by a member of the American board of Clinical Pathologists.

1945 Teacher Dies

Martin H. Thornberry, who taught mathematics during the 1945-46 term, died September 13 in a Joplin rest home. Previous to his year at Joplin Junior College, Mr. Thornberry had been a professor of metallurgy at the Missouri School of Mines for more than 20 years. He was nationally known for his work in the metallurgical field.

Butterfields would be proud to have a part in your Education. As a Diamond Ring is an important part of every girl's and boy's life, we invite you to come in at any time and let us explain the qualities in diamonds which affect their beauty, their value, their price and their satisfaction to you.

A LESSON ON DIAMONDS is both a service and a pleasure for us. Won't you come in soon?

Butterfields — 601 Main

We'll Keep Each Memory Hail! Hail! To Thee!

A Report on the 1956 Graduates

Roger Amos—Special student at J.J.C.

Franklin Anderson—Attending Rolla School of Mines.

Edgar Armstrong—Attending school in California.

Jack Armstrong—Attending K.S.T.C. at Pittsburg.

Gerald Asher—Working at Zale's Jewelry.

Toby Jean Baker—Attending K.S.T.C.

Helen Barbee—Attending K.S.T.C.

Leonard Barlet—Attending the University of Washington.

Alice Bauman—Teaching at Saginaw.

Jack Belden—Attending the University of Missouri.

Sara Belden—Attending the University of Missouri.

Betty Board—Attending Texas State College for Women at Denton.

Ralph Brock—Northeastern Oklahoma State Teachers College.

Phyllis Brooks—Working at Four State Radio Supply in Joplin.

Margaret Bussinger—Attending K.S.T.C.

Wallace Buzzard—Attending Rolla School of Mines.

Joann Cole—Married Buck Showers.

Gene Compton—Attending the University of Missouri.

Joyce Connely—Teaching at Saginaw.

Sue Cookerly—Attending the University of Missouri.

Carolyn Corner—Attending K.S.T.C.

Jackie Cox—Attending the

University of Missouri.

James Dale—Employed by the Morgan Roofing Company.

Gilbert Davidson—Attending K.S.T.C.

Jack Day—Attending Rolla School of Mines.

Doris DeGraffenreid Wilson—Working in Joplin Public Library.

James Donoho—Attending K.S.T.C.

James Ellis—Working at the Joplin Globe.

Bette Ferris—Teaching at Racine.

Edward Fettes—Attending K.S.T.C.

Else Frazier—Attending Lincoln University.

Joanne Furner—Living in Webb City.

John Gailey—Attending the University of Missouri.

Gene Gold—Attending the University of Missouri.

Dianne Goodhope—Attending K.S.T.C.

Sammy Whitehorn—Attending the University of Kansas City.

JoAnn Williams—Employed by Empire District Electric Co. in Joplin.

Terry Welch—Attending Rolla School of Mines.

Male Enrollees Are Predominant On College Campus

Four hundred and thirty students representing 16 states enrolled for the fall semester at Joplin Junior College. Of those enrolled so far, boys outnumber the girls, 285 to 145.

The total enrollment for this semester is 17 less than last year's fall enrollment. Dean Maurice L. Litton said he expects additional enrollees to raise this year's total to a level with that of 1955.

A breakdown of Missouri students and the towns they represent follows: Alba, 10; Anderson, 2; Carl Junction, 11; Carterville, 2; Carthage, 33; Diamond, 3; Duenweg, 4; Jasper, 2; Joplin, 187; Neosho, 24; Noel, 3; Pierce City, 2; Pineville, 2; Rocky Comfort, 3; Sarcoxie, 13; Seneca, 13; Southwest City, 2; Springfield, 2; St. Louis, 2; Webb City, 35; Wheaton, 2; and 11 additional Missouri cities with one student each.

Following is the number of Kansas students and the cities they represent: Baxter Springs, 6; Galena, 5; Riverton, 3; and nine additional cities were represented by one student each.

A breakdown of the enrollment by states is as follows: Alabama, 1; Arkansas, 6; California, 3; Illinois, 7; Indiana, 3; Iowa, 1; Kansas, 23; Missouri, 368; New Mexico, 1; North Carolina, 1; North Dakota, 1; New York, 1; Oklahoma, 9; Texas, 2; Wisconsin, 2; and Wyoming, 1.

Joplin to Play Wentworth Squad at Homecoming Tonight

Walter Krudwig Wins Archery Tournaments

Although you couldn't tell it from his quiet, studious ways, a modern-day Robin Hood may be found in the halls of the College. He is Walter Krudwig, a dark-haired, 19-year-old lad who is now in his second year at J.J.C.

Walter is the winner of several major archery tournaments in this area during the last two years. Among the titles he has earned are second place winner in the Apache Regional at Oklahoma City, runner-up in the 1955 state tournament in Joplin, runner-up in the Joplin spring tourney this year, and champion of the 1956 Joplin shoot.

Highest possible score which may be attained in most of the

local tourneys is 1,120. Walter's score usually reaches the 800 mark.

The young archer is vice-president of the Joplin Bowhunter's Club. He first became interested in archery in 1954, and practiced about 15 hours a week. Although his interest has not lessened in the last two years, he spends only three hours per week on the archery range this year.

Walter plans to attend either the University of Arkansas or the Rolla School of Mines after he graduates this year. The pre-engineering student lives with his parents, Mr. and Mrs. Gus Krudwig, on Joplin, Route 4.

J.J.C. Eleven Down Opponents In Widely Different Skirmishes

Joplin Junior College's Green and White clad Lions slipped past a game Independence, Kansas, crew in their second game of the young season September 20 at the stadium.

The Steggemen overcame a 12-point deficit during the last half to beat the Pirates of Independence. Touchdowns were scored by Merle Gunn, Bob Walker, and Bob Speedy. The only successful extra point kick of the contest was made by J.J.C.'s Charles Binder.

The Pirates got off to a fast start by tallying a touchdown in the seventh play of the game.

The deciding touchdown of the contest was scored by left halfback Bob Walker, who smashed through center for an 11-yard gain.

In Joplin's initial game of the season, they romped over the

Kaydets of Oklahoma Military Academy, 84-0 at the stadium.

Right halfback Bob Speedy started the onslaught with a touchdown in four minutes of the first quarter. The game's big scorer, though, was little Dub Cheney, who carried the ball for four touchdowns.

Sports Synopsis

By Ron Martin

Coach Dudley Stegge's ram-paging Lions are off to a blazing start this season, beating some of the best teams the Four-State district has to offer. They dumped the Oklahoma Military Academy Kaydets 84-0 in one of the most lopsided affairs this school has ever had the good fortune to witness. Then they pulled a surprising about-face and outsmarted the Independence, Kansas, Pirates in a tight skirmish, 19-18.

One of the most important factors in the success of any football team is its line, and in that department Juco is no exception.

A great deal of the squad's success can be attributed to our line. Although those boys who made up our forward wall aren't often in the limelight, they are the very backbone of the team.

Another surprise, to many people at least, was little Dub Cheney of Carthage. It is always amazing to observe a somewhat nonchalant chap like Dub who, though easy-going when off the field, can really get down to business when he appears on the gridiron. Fellows like him are the ones who keep our starters in tip-top shape, for they know they must play first-class football if they are to keep their regular posts.

The Lions will face their most capable opponents of the year next Thursday night when they play the Highland, Kansas, Scotties of Coach Roger Grunwald.

This is Highland's initial season in the Interstate Conference on a full-time basis, and they look as if they may be the team to beat for the conference title. The Scotties' first-string includes 10 lettermen from last year. This also is Grunwald's first season at the Kansas school. Grunwald is converting the Scotties from a single wing attack to the Split-T this season.

Gridders to Try for Fourth Victory In Interstate Juco Conference Battle As Part of the Reunion Festivities

Coach Dudley Stegge's slick-working charges will host Wentworth Military Academy of Lexington, Missouri, at 7:30 o'clock tonight at the stadium in the annual Homecoming tilt. The game is a conference battle.

The Lions will have a definite advantage over the Red Dragons in that they have played three games, whereas the Lexington gridders have only one game from which to draw experience.

Joplin's squad this year has proved to be deep bench-wise, something which is an asset to any squad. Several men like Dub Cheney and Charles Binder have shown their worth already.

The Lion eleven overpowered a

hapless O.M.A. squad in their initial start this season, and then managed to out-wit the gridders from Independence, Kansas, in a later game.

Following are the probable starting lineups for tonight's game:

G. Wallace — LE — D. Cowden
Kenneth Boyer — RE — H. Hunt
D. Edmonson — LT — J. Guillemot
D. Spencer — RT — J. Douglas
F. Stangl — C — M. Osborne
J. McAnally — LG — R. Karlin
Larry Ford — RG — R. Smith
Alan Hoover — QB — Wm. Cook
Bob Walker — LHB — R. Kurth
Merle Gunn — FB — Dick Mills
B. Speedy — RHB — D. Heathman

Green and Gold Footballers Blank Kansas City Blue Devils, 37-0

Tallying a touchdown in every quarter, the Joplin Junior College Lions ran their string of consecutive wins to three last Saturday night when they romped over the Kansas City, Kansas, Junior College Blue Devils, 37-0.

The contest at Kansas City was Joplin's initial Interstate Junior College Conference game. About 30 persons from Joplin attended the game, which was marked by chilly weather and a sparse crowd.

The 37-0 victory ran the total number of points scored by the Lions this year to 140, as compared with 18 points scored by their opponents.

Fullback Merle Gunn started off the Joplin scoring barrage in the first quarter with a four-yard plunge across the Kansans' goal. Later in the same period, Halfback Bob Walker squeezed through the

Blue Devil line on another four-yard gain to put the Lions far out in front, 12-0.

In the closing minutes of the first stanza, Joplin End Ken Boyer scurried past the Kansas City forward wall and received a pass from Halfback Bob Speedy to increase the J.J.C. margin to 18-0. The aerial attack covered 40 yards.

Speedy stole the spotlight again in the third quarter when he sprinted 25 yards for Joplin's fourth counter.

Later in the third stanza, Halfback John Coatney, a reserve, broke loose on the game's longest gallop, 55 yards. Boyer booted a successful conversion to add to Joplin's total, 31-0.

Coatney made a 25-yard gain to set up Joplin's last touchdown, when Dub Cheney squeezed through the visitor's forward wall.
